Dear Parent or Guardian,

Georgia Academy for the Blind will take the new Georgia School Climate Survey this year. Each parent or guardian is invited to take the family version to answer questions about the current school or schools you have a child or children attending. **If two or more children attend the same school**, please only complete one survey for that school.

The survey measures what you think about how the school engages with families. Answers are not linked to names in any way. When typing answers, please do not give names or information that you do not want to share with this school. Data will be shared with school leaders to help improve the school and will be published on the GaDOE website.

Please help by sharing your honest opinion on this **22-question survey**. To take the survey, please click this link: <https://survey.gadoe.org/FM?sid=0A72513C>. You can also use your phone to complete the survey by clicking on the QR code attached to this newsletter.

If you have any questions about the survey, please contact our parent mentor, Jennifer Minter, at 478-751-6083 x1140 or jminter@doe.k12.ga.us.

Best regards,

Alicia M. Jackson, School-level Superintendent
